NARRATIVE

Title: MURDER

- two younger white males standing in the front yard of the residence
- one was on the phone and the other was hurriedly waving me into the house as he walked towards the open front door of the residence

As I walked into the front door I heard a females voice yelling and sobbing, and requesting help. The females voice was coming from the bedroom located to my left. One of the younger males, later identified as Dillon Kirkland, escorted me into the master bedroom of the residence, which was near the front door. As I walked in I observed the following:

- white female, later identified as Beatrice Dickey, lying on the right side of the bed (standing at the foot of the bed) with the covers drawn to her under arms, her head at the pillows and her feet towards the foot of the bed
- B. Dickey was lying on her left side facing the wall with her legs appearing to be slightly bent
- red in color aluminum bat lying cross ways (side to side) near the center of the bed (with the barrel of the bat near the crook of her knees)
- younger white female, later identified as Taylor Dickey, was knelt down on the floor at B. Dickey's head
- T. Dickey was sobbing and yelling for help as she wiped blood away from B. Dickey's mouth and nose area, stating that she did not want the blood to get into her mother's nose
- B. Dickey had a severe wound to the right side of her head with a significant amount of blood around her head, on the pillow, with short shallow agonal breaths

As Officer Walker made contact with T. Dickey and I requested that EMS speed up their response due to the severity of the injuries. PCFR arrived on scene at approx. 0057 hours and began to treat B. Dickey and moved her to the ambulance. T. Dickey was moved from the bedroom to the dinner room table upon the arrival of PCFR. Officer Walker placed Crime Scene Tape around the front of the residence, almost to the road, to secure the scene.

I then exited the master bedroom and began to check the remainder of the residence for other occupants, at which time, I noted there did not appear to be any signs of forced entry (i.e., broken windows or doors) throughout the residence. In the northwest bedroom I made contact with three younger white males.

I then:

- verbally identified the white males as Dillon R. Kirkland, Zackary C. Besece, and Lawson A. Dickey
- ensured that they were not injured
- separated them and conducted brief initial interviews
- had D. Kirkland phone his father after the interview and request him to respond to the residence
- had Z. Besece (friend of the family that was staying the night) phone his parents to let them know that he was okay

I then made contact with T. Dickey at the dinning room table and observed the following:

- T. Dickey was still holding onto a white in color blood soaked rag

I then:

- conducted an interview with T. Dickey
- once D. Kirkland's father arrived, I escorted all the children outside and instructed them to remain outside of the residence, and the residence was secured for the Criminal Investigation Unit
- met with Officer Baker, who took digital photographs of the scene, and I took possession of the photo-disk which was later placed into evidence via a property receipt

Det. C. Rader arrived on scene at 0159 hrs. and informed him of my observations and initial interviews conducted with the children.

At 0319 hrs., I responded to the police department and stood by with the suspect, Lawrence Dickey, while the scene was being investigated by the Criminal Investigation Unit.

Title: MURDER

At approximately 0732 hrs., I was notified by Sgt. Cross, that Det. Rader had concluded his initial investigation and was ready for Dickey to be transported. I removed Dickey from the holding cell, placed him into handcuffs and into the rear of my patrol unit. We then met with Sgt. Cross, who advised Dickey of the charge, then I transported L. Dickey to the Orient Road Jail without incident.

On 09/18/2011, at approximately 1910 hrs, I responded back to the residence at the request of Sgt. Lawson in reference to gather additional potential evidence. Upon arrival, I met with Sgt. Lawson and a Polk County S.O. sergeant. I then photographed the blood soaked rag on the dining room table. The rag appeared to be the same I had seen T. Dickey holding as I interviewed her at the dinner room table. Then photographed clothing lying on the floor at the entrance of the master bath. I then collected the items and later placed them into evidence via a property receipt.

Interviews:

Dickey, Taylor K., stated the following:

- was asleep in her room
- heard a loud screeching sound, like tires just outside of her house
- didn't know what it was
- went into her dad's room
- found her step-mom lying in the bed bleeding
- ran out of the room to her brothers room and told him to call 911, someone hit mom with a bat
- ran back into the room to help her step-mom
- didn't see or hear anyone arguing, or come in or leave the house

Kirkland, Dillon R., stated the following:

- had his friend Zack over for the night
- was lying down in his bedroom, listening to music and talking with Zach, about to go to bed
- heard tires screeching outside, like right in front of the house
- asked Zach if he had heard the noise
- Taylor ran into the room screaming at him to call 911
- ran into his mom's room
- saw her lying there bleeding from her head
- saw the bat on the bed
- I did move it a little
- the top part was still on her legs
- just wanted to move it off of her
- grabbed my phone and called 911
- then you got here
- didn't hear anyone inside of the house, or anyone fighting

██████████ stated the following:

- staying over at Dillon's house for the night
- we heard the tires screeching and then his sister ran into the room screaming
- we ran out of the room and Dillon went into his mom's room
- I just stayed at the front door, and when Dillon came out we went outside and waited for the ambulance
- didn't hear anything unusual, no fighting, or anything, just the tires
- we thought someone hit a parked car or something

Dickey, Lawson A., stated the following:

- was on the couch watching this T.V. show about kids going to jail and getting help from the police
- ended about midnight
- fell asleep on the couch, but kinda woke up when I heard my dad and mom come home
- fell back asleep for a little while

On 9/18/2011, at around 0056 hrs., I, Ofc. Pawlowski, was assigned to the Welcome Center at the Plant City Police Department when the following took place:

- A SUV raced up to the Welcome Center and entered into the exit side of the driveway
- The SUV skidded to a stop and I quickly came to the door and assessed the situation

While standing by Dickey he made the following spontaneous statements:

At no time did this officer ask any question to provoke Dickey to make any of these statements.

Then the following took place:

- Det. Radar came to the Welcome Center and met with Dickey
- I stood by while Dickey's SUV was checked for evidence by Det. Radar
- Took control of the keys and later placed them into safekeeping
- Dickey was later transported to Central Booking in Tampa by Officer Combs
